

23 AUG 2021

Alturas Analytics, Inc. is pleased to announce the opening of a 2,200 square foot expansion dedicated to Sample Management. This site serves for the receipt, management, and storage of all study samples.

We understand that address updates can take time to implement. Any shipments containing study samples that are sent to Alturas' primary location will still be received and processed.

Beginning 01 SEP 2021, please address all shipments of study samples for bioanalytical testing to:

Alturas Analytics, Inc.
1917 South Main Street
Moscow, ID 83843

All other shipments are to be addressed to the primary location at:

Alturas Analytics, Inc.
1324 Alturas Drive
Moscow, ID 83843

If you would like a PDF copy of this notice, or for any questions, please contact Geoff Keller at SampleCustodian@alturasanalytics.com.
