Flights into Pullman-Moscow Regional Airport

Direct flights into Pullman-Moscow Airport (PUW) are available via Alaska Airlines. All flights connect through SeaTac International Airport (SEA) in Seattle, WA, or Boise Airport in Boise, ID (BOI).

The airport is approximately 10 to 15 minutes from the lab. Rental cars are available from AVIS, Budget, Enterprise (located off-site), and Hertz, or a lab representative can transfer you to and from the airport. A shuttle bus is also available to the airport if staying at the Best Western Plus University Inn.

Flights into Lewiston Nez Perce County Airport

Flights into Lewiston Nez Perce County Airport (LWS) are available via Delta Airlines or United Airlines. All Delta flights connect through Salt Lake City International Airport (SLC). United Airlines connect through Denver, CO.

The airport is approximately 40 minutes south of the laboratory. AVIS, Hertz, and Budget rental cars are available on-site.

Flights into Spokane International Airport

Flights into Spokane International Airport (GEG) are available via 8 airlines including many direct flights from Alaska Airlines, Delta Air Lines, United Airlines, and Southwest Airlines. The airport is approximately 90 minutes north of the lab.

Rental cars are available by Alamo, Avis, Budget, Dollar, Enterprise, Hertz, National, and Thrifty.

Starline Collection and Northwestern Trailways offers limited bus services to and from Spokane International Airport. Advanced reservations are required. Visit their website for their current shuttle schedule. If the shuttle bus is used, a lab representative can transfer you to and from the hotel.

Directions

- [From Pullman-Moscow Regional Airport](#)
- [From Lewiston Nez Perce County Airport](#)
- [From Spokane International Airport](#)

Pull into the parking lot and park your vehicle in the visitor's parking space.

Welcome to Alturas Analytics!

All exterior doors are locked at all times, so please ring the doorbell to enter the front door. Be sure to press the doorbell firmly.

To ensure the security and safety of our premises, all visitors to Alturas Analytics, Inc. must enter and exit through the front door. Visitors will be escorted while at the facility by an Alturas Analytics, Inc. employee, unless otherwise noted by Test Facility Management.

Visitors who have access to the facility beyond the carpeted area will sign in at the front desk using the electronic screen. Follow the prompts on screen and print your visitor badge. Once printed, affix the sticker to the lanyard you are issued. This visitor's badge must be displayed at all times.

There are several different alarmed zones and video surveillance located throughout the facility.

All visitors must adhere to the Alturas Health and Safety Protocol and Screening for COVID-19. Visit <https://alturasanalytics.com/resources/covid-19-updates/> for further information about Alturas' current status and to view a copy of the protocol.

Visitors must sign out at the end of their visit. Please return the lanyard.

There are delicious dining options in the area. [Click Here](#) to view descriptions, locations, websites, and contact information for the best local restaurants for dining in, carry out, and delivery.

Thank you for visiting Alturas Analytics, Inc.
